NEW ARMY OFFICER COMING TO THIS POST

LIEUT. PHILIP G. WRIGHTSON
WILL RELIEVE LIEUT. M. A.
WELLS AS COMMISSARY.

SAN FRANCISCO, May 28.—Lieutenant Philip G. Wrightson, Twentieth Infantry, Presidio of Monterey, will leave on the transport June 5th for Camp McKinley, Honolulu, for the purpose of taking over public property at that station.

Lieutenant Wrightson will relieve Lieutenant M. A. Wells at this post as Battalion Quartermaster and Commissary, the latter being ordered to Alaska with the companies of the 10th Infantry which will leave for their northern quarters the latter part of this month. Lieutenant Wrightson comes ahead of his battalion in order to have time for checking up the supplies of which he will have charge, before the present officer in charge has to leave.

The four companies of the 20th Infantry (Cos. E, F, G and H), which will relieve Companies I, K, L and M, of the 10th, are now stationed at the Monterey presidio, but will sail from the Coast on the 15th inst. on the transport Crook, arriving here about the 23rd or 24th. The new troops will at once take possession of the new quarters at Kahauiki, Camp McKinley to be abandoned with the going of the 10th.

The old companies will start on their long northern voyage on the Crook, within a few days after they are relieved, or as soon as the vessel has finished coaling and is ready to sail again.

JACK LONDON WALKS WITH DIFFICULTY

GOES SURF RIDING AND SUN
BLISTERED HIS LEGS—CARRY-
ING ON WORK.

Jack London, the novelist, who is sojourning here on his first stop on his several years cruise around the world in his little schooner "Snark," is paying the penalty of his indiscreet enthusiasm for surfing. About a week ago he was so severely sun-burned at Waikiki beach that he has since been able to walk with difficulty, and he still spends most of his time in bed at the Hobron residence on the Peninsula where he is making his home.

In spite of his painful condition, Mr. London is carrying on his literary work regularly, dictating to his wife as he lies in bed. He has not fore-sworn sun-riding, but states that he will be a little more careful in the future.

MALOLO CAUSES STIR AT SAN PEDRO

CABLE MESSAGE FROM HONO-
LULU CONCERNING SAILOR SAID
TO HAVE BEEN SHANGHAIED.

SAN PEDRO, May 13.—The little gasoline schooner Malolo, Captain W. Johnson, has arrived, 28 days from Honolulu, after a pleasant voyage across the Pacific. There was some excitement along the water front upon her arrival, owing to the report that there was a shanghaied sailor on board.

Shortly after putting out from the island port it was rumored in shipping circles in Honolulu that a sailor named George Smith had been taken aboard and was being held against his will. So authentic was the case that a cable message was sent here asking the federal authorities to investigate the facts as soon as the craft reached San Pedro.

There was discovered to be no foundation for the report, as the captain in a plain statement told of the sailor's anxiety to escape boarding a big windjammer, bound round the Cape for Europe and for which he had signed some agreement which he later regretted. Smith himself corroborated the captain's explanation, and that ended the affair.

The Malolo is a trim little boat of nine tons. She is five years old and was recently bought by Captain Johnson from the I. L. S. N. Co. for \$1750. Sailor Smith will remain with the Malolo, which will be in commission between the mainland and the channel islands in the abalone and fishing business.

Police reserves, customs men and officers of the British S. S. Valdivia were rushing around this forenoon chasing a Chinese cook who had disappeared from the vessel, presumably to remain away.

There is a severe penalty provided by the Federal government against the captain of a vessel who allows a Chinese to enter the United States when he has no right. Five hundred dollars is the minimum fine and \$1,000 is the maximum, or five years imprisonment where the case seems to warrant it. Naturally there was anxiety aboard the Valdivia. Also the agents of the steamship were talking of offering a big reward for the apprehension of the runaway Chinese.

PROSPECT GOOD FOR MORE EXCURSIONS

SAN DIEGO WORKING TOWARD
HELPING CARRY OUT PLANS—
EDITORS WANT TO COME.

Secretary H. E. Wood, of the Promotion Committee, received a cable this morning from F. M. Barr, of San Diego, to the effect that he was working for the success of the excursion which it is proposed to bring to the Territory on the Sierra next month, leaving San Francisco on July 12, and picking up excursionists at Los Angeles and San Diego. The outlook for the carrying out of the plans now seems to be particularly good, inasmuch as both Los Angeles and San Diego seem to have taken up the matter seriously. At a recent meeting of the San Diego Chamber of Commerce the chairman of the excursion committee, E. E. Schaefer, was instructed to look into the facts and report at the next meeting. From what can be learned the sentiment is strongly in favor of the excursion.

Secretary Wood has also received a communication from Guy N. Hardy, president of the Arkansas Valley Press Association, asking for information concerning Hawaii and the means of getting here. He has in view an excursion of his press association to the Territory, if conditions are favorable. Inasmuch as a great deal of valuable advertising would result from such a party's coming here, the Promotion Committee will do all that it can to assist in carrying out the plans.

NEW CONDITIONS AT AALA PARK

KAILIMAT'S PROFITABLE CHAIRS
HAVE GONE AND SODA WATER
CARTS MUST KEEP OFF.

If there are any chairs on the Aala Park baseball grounds tomorrow they will be free to the public. Parkkeeper Kallimal, since the little affair of the last meeting of the supervisors at which he was warned never again to charge ten cents per chair, has withdrawn his chairs from the park.

Many people have been hiring these chairs at 10 cents each under the impression that the realization went to the County.

Aala Park will also be free of soda water carts and peddlers and Kallimal's reign as distributor of favors is over, though he remains keeper of the park.

RUNAWAY CHINESE HOLDS VALDIVIA

S. S. VALDIVIA'S COOK RUNS
AWAY AND MASTER OF VESSEL
IS UNDER ARREST.

Police reserves, customs men and officers of the British S. S. Valdivia were rushing around this forenoon chasing a Chinese cook who had disappeared from the vessel, presumably to remain away.

There is a severe penalty provided by the Federal government against the captain of a vessel who allows a Chinese to enter the United States when he has no right. Five hundred dollars is the minimum fine and \$1,000 is the maximum, or five years imprisonment where the case seems to warrant it. Naturally there was anxiety aboard the Valdivia. Also the agents of the steamship were talking of offering a big reward for the apprehension of the runaway Chinese.

Police officers Reeves and Weed were soon on the trail.

"Whose Weed after?" asked a mild pedestrian.

"A Chinese cook" was the reply.

"When did he die?"

"He didn't die."

"Then why is Weed chasing him?"

"Weed is a police officer."

"Oh, I thought he was an under-taker."

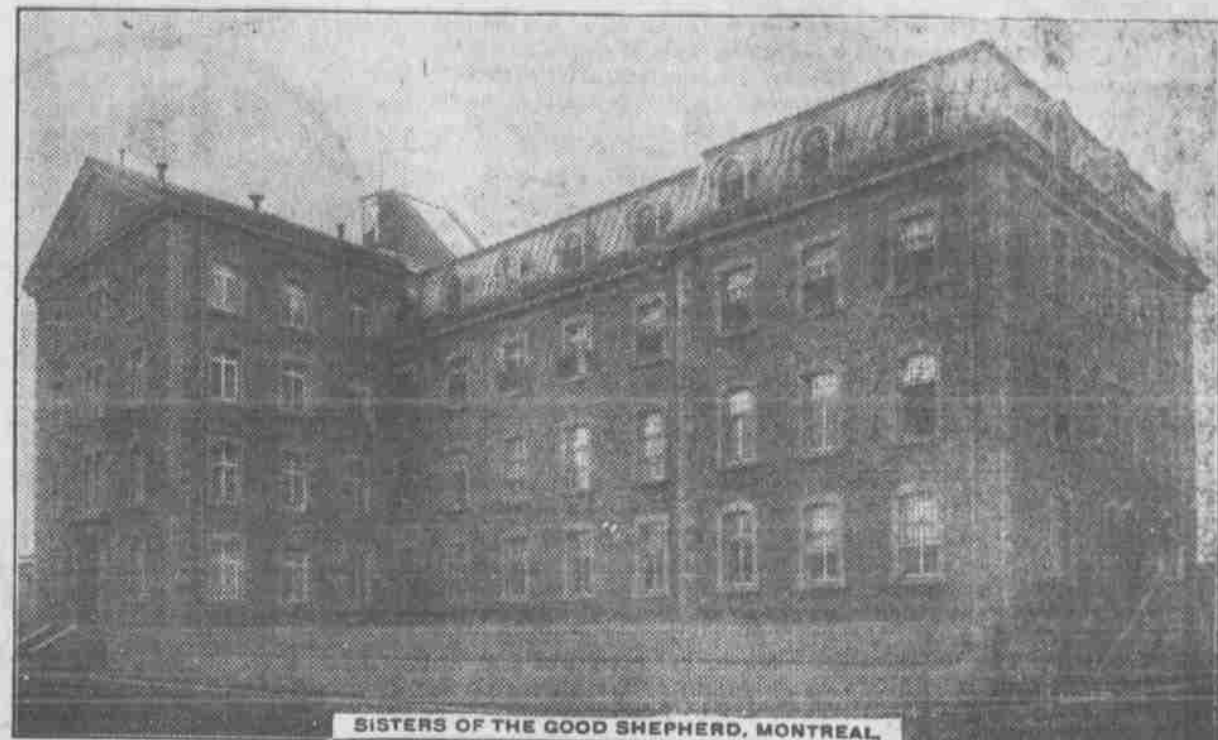

"He used to be, but he's been translated."

Reeves and Weed searched the S. S. Alameda from smokestack to refrigerator, for it was learned that the runaway cook of the Valdivia was well acquainted with a Chinese aboard the Alameda, having known him half-a-world away years ago. But he was not found.

A Chinese soda man was questioned for the reason that the Valdivia's cook owes him \$2.15 and has been in the habit of buying bananas at his shop. No crew was gathered, except that a Chinese with striped pants and short hair was seen walking up Fort street early this morning.

PROMINENT HOSPITALS SAY

PE-RU-NA IS EFFICIENT IN RELIEVING ALL CATARRHAL DISEASES.

SISTERS OF THE GOOD SHEPHERD, MONTREAL.

HOSPITALS ALL OVER THE CONTINENT FIND PE-RU-NA VALUABLE IN TREATING ALL CATARRHAL DISEASES

CATARRH of the respiratory organs is a common ailment in Canada for at least two-thirds of the year.

This condition is no doubt caused by the long, severe winters experienced in this part of the continent.

Therefore, when Peruna was discovered by Canadian people to be a reliable remedy for these catarrhal diseases, it at once became a popular medicine, not only among individuals and in families, but in the great hospitals, where it was used as a preventative and relief in hundreds of cases.

These institutions do not hesitate to give their endorsement of the remedy which has been so helpful in the treatment of their poor and sick.

Among these institutions is that of the Sisters of Good Shepherd, who gave the following endorsement:

The Peruna Company,

Columbus, Ohio,

Having used Peruna for the past few months, for our sick and poor, we are happy to say that it has given us great satisfaction.

The Sisters of the Good Shepherd,

August 20, 1903.

Montreal.

After a continued use of the remedy, this institution has found no reason to change its good opinion of the remedy and expresses its satisfaction in the following terms:

Ask your druggist for a copy of our booklet "The Ills of Life," giving instructions covering the most effective use of Peruna. Peruna is for sale by all chemists and druggists. The following wholesale druggists will supply the retail trade in Honolulu, Hawaii: Benson, Smith & Co., Honolulu Drug Co. and Hebron Drug Co.

Montreal, Nov. 7, 1903.

We found Peruna a relief in several cases.

We can say it is a good tonic and we are very thankful.

Sisters of the Good Shepherd.

When catarrh once fastens itself upon the system it becomes an obstinate disease to eradicate.

A systemic remedy—one that reaches every internal organ of the body—is an absolute necessity.

Peruna is just such a remedy. It searches out the cause of the disease, healing and strengthening the mucous membranes, and thus giving Nature an opportunity to perform her part of the restorative process.

One of the many hospitals which have found Peruna of value in treating old and obstinate cases of catarrh is the Hospital St. John, who write, as follows:

"We are happy to tell you that your Peruna has given us satisfaction. Three patients have tried it, one 68 years old, Renou Dupuis, afflicted with catarrh, is much relieved, more than he has been for a number of years.

"A young girl, 15 years old, had an obstinate cough, which half a bottle of Peruna caused to disappear.

"As to myself, two bottles have convinced me that Peruna is magnificent as a tonic.

"Before the treatment I could not walk for a quarter of an hour without

experiencing much fatigue. Now I can walk a mile easily.

"Through these three cases we desire to make known to the public the efficiency of your remedy."

Hospital St. John, of St. Johns,

Province of Quebec.

A later letter received from the same institution reads as follows:

"Three weeks ago I wrote to tell you how satisfactory we found Peruna. We recommend it highly for colds, coughs, catarrh and neuritis.

"I have used it myself as a tonic with the best results, taken as directed, half a teaspoonful every half hour."

Mrs. Etta Booker, Dundurn, Sask.,

N. W. T., Canada, writes:

"I suffered with pelvic catarrh until I wrote to Dr. Hartman, and after taking treatment as he advised, I can say I am now cured of this most trying affliction, for which I am truly thankful. I think Peruna the best medicine for catarrh. I never felt better in my life than I do at present."

Peruna not only promptly relieves coughs and colds in their first stages, but is equally prompt and efficient for catarrhal diseases in the chronic stage.

Of course, it is only reasonable to suppose that a great deal less medicine will be necessary to cure a slight attack of catarrh than would be required to relieve the ailment after it had been allowed to become chronic.
